SCULPTING THROUGH HISTORY WITH EUGENE DAUB

**Thursday, June 11
5:30-7:00pm
Sue Carter Community Room**

Eugene Daub has created over 40 major monuments in the United States in the last 30 years that document and celebrate American history. His work is on display in the Smithsonian, the National Statuary Hall Collection in the U.S. Capitol, the U.S. National Park Services, and in communities across the country. His sculptures tell the stories of historical figures including Lewis and Clark, Sacagawea, Abraham Lincoln, Thomas Jefferson, Amelia Earhart, Rosa Parks, and even General Bernard A. Schriever at the Los Angeles Air Force Base here in El Segundo.

Eugene will take us on a trip through our American history by presenting a slideshow of his work and talking about his artistic process. Representative works will be on loan in our library's display cases.

Please contact the Reference Desk at 310-524-2728 for more information about this FREE program.

Eugene's new book, *Eugene Daub: Portraits, Medals, and Monuments*, will be available for purchase and have signed.
