

Recreation, Parks, & Library Department Recreation Program Scholarship Application

Dear Resident,

The City of El Segundo Recreation, Parks, and Library Department makes every effort to provide the very best customer service to our residents. The Recreation Program Scholarship Program provides funding for programs and services offered by the Recreation, Parks, and Library Department to families and individuals in need. Scholarships of up to **\$200** per resident, with a maximum of \$600 per household per year, are offered to residents who meet eligibility criteria. The Recreation Manager will review each application submitted and makes award decisions based on the information provided in this application.

Due to limited funding, some applications may be denied. However, all applicants are strongly encouraged to apply again during the next award period. Applications do not roll-over and applicants must re-apply at every new award period. Awarded funds also do not roll over.
