

FREE Compost

Starting
OCTOBER 20
while supplies last

CITY OF **EL SEGUNDO** Compost Giveaway

The Public Works Department is providing free finished compost! It will be available beginning Oct. 20 from 9 a.m. to 9 p.m., while supplies last.

Where? The compost will be available in a roll-off container next to George Brett Field at the northeast corner of Recreation Park.

What Should I Bring? This is a self-haul event, so residents are responsible for bringing their own shovel and bagging compost in their own waste bags, reusable containers, pick-up bed or trailer.

ABOUT THE COMPOST
