ABOUT AND CV ABOUT BRANDED ARTS

Branded Arts is an organization dedicated to making a positive social impact. Over the last 10 years, Branded Arts has produced over 500 public and private art installation projects in over 50 cities worldwide. Branded Arts offers a full spectrum of artistic services for communities and corporate settings alike. With years of experience as curators and consultants, they will find the perfect artwork to enhance any professional space. Whether it's a signature mural, sculpture, or hundreds of pieces for a full-scale development, they will take care of every detail from the concept to the artwork installation. The Branded Arts staff is multi-talented, with backgrounds in architecture, design, gallery planning and production. Their team is comprised of members who have worked together on numerous successful projects. Their team has an overall vision built upon a substantial roster of contributing artists and multiple artistic platforms that will take their projects to even greater heights.

ABOUT BRANDED ARTS LEAD ARTS PRACTITIONER JOSH EVERHORN

Joshua Keen Valencia AKA Josh Everhorn, was born and raised in Los Angeles. He holds a Bachelor of the Arts Degree in Fine/Studio Arts from the California State University-San Bernardino. Over the last decade, Joshua has led the Branded Arts design, fabrication and installation team, having produced and installed hundreds of large-scale permanent public art installation projects. He has worked closely with multiple stakeholders including property owners, developers, architects, design teams, engineers, landscapers, city officials, artists, community members, building staff, and construction crews. When working with different stakeholders, it is important to compliment their vision, to make sure that all voices are heard, and to suggest concepts and designs based on creative meetings and subsequent feedback. Some of Branded Arts' most notable projects include the 2019 Dr. Maya Angelou Community High School campus beautification project in Los Angeles. The total production costs for that project were over \$500,000. That project included over 25 public art murals, and 1 large-scale steel sculptural installation. Another major project that was recently completed in 2020 is the new Austin Oaks Office Park in Austin, Texas. That project included 6 large-scale permanent outdoor art sculptures. The total production costs for that project were over \$850,000.

The "Spruce Goose" is undoubtedly one of the most famous planes in the history of the world, so being able to pay tribute to its renowned design will be one of the all-time highlights of our of our public art project portfolio."

RESOLUTION NO. _____

A RESOLUTION OF THE ARTS AND CULTURE ADVISORY COMMITTEE FINDING THAT CERTAIN CONDITIONS EXIST TO CONTINUE CONDUCTING PUBLIC MEETINGS VIA TELECONFERENCING PURSUANT TO GOVERNMENT CODE SECTION 54953(e).

The Arts and Culture Advisory Committee resolves as follows:

SECTION 1: The Arts and Culture Advisory Committee finds and declares as follows:

- A. On March 4, 2020, Governor Gavin Newsom proclaimed a State of Emergency in California due to the threat of the COVID-19 pandemic.
- B. This gubernatorial proclamation, among other things, suspended local government emergency declaration, reporting, and extension requirements of Government Code § 8630 for the duration of the COVID-19 pandemic.
- C. Effective September 16, 2021, Assembly Bill No. 361 ("AB 361") took effect which, among other things, amends certain provisions of the Ralph M. Brown Act ("Brown Act") governing open meetings to allow teleconferencing, including internet-based video conferencing, in a manner similar to previously issued gubernatorial executive orders.
- D. During a proclaimed state of emergency, AB 361 allows a legislative body, like the Arts and Culture Advisory Committee, to continue utilizing teleconferencing to conduct public meetings under certain circumstances, provided the legislative body makes certain findings.
- E. After an initial meeting in which certain findings are made, to continue meeting pursuant to AB 361, the legislative body must, every 30 days thereafter, declare that it has reconsidered the circumstances of the state of emergency and either: (1) the state of emergency continues to directly impact the ability of the members to meet safely in person; or (2) state or local officials continue to impose or recommend measures to promote social distancing.
- F. On October 5, 2021, the El Segundo City Council adopted Resolution 5275 prohibiting other City legislative bodies from meeting exclusively in person, except as determined by the City Manager or until the City Council provides further direction. The City Council Resolution directed all legislative bodies of the City to consider the adoption of a resolution authorizing the use of teleconferenced meetings pursuant to Government Code § 54953(e).

SECTION 2: *Teleconferencing.* Pursuant to Government Code § 54953(e), the Arts and Culture Advisory Committee finds as follows:

- A. The state of California continues to be in a declared state of emergency pursuant to Government Code § 8625 (the California Emergency Services Act; see Government Code § 54953(e)(3); see *also* Governor’s Proclamation dated March 4, 2020);
- B. Based upon the most recent Order of the Health Officer for the County of Los Angeles Department of Public Health (dated September 17, 2021 and effective October 7, 2021), masks and social distancing continue to be recommended as necessary to curb the spread of COVID-19 (Government Code § 54953(e)(3)(B)(ii));
- C. The circumstances continue to directly impact the ability of the members of the Arts and Culture Advisory Committee to meet safely in person;
- D. Accordingly, to protect public health, the Arts and Culture Advisory Committee finds that it is in the public interest to conduct its public meetings via teleconference as defined by Government Code § 54953;
- E. The Arts and Culture Advisory Committee will adhere to all requirements of Government Code § 54953(e) governing teleconferencing during the emergency.

SECTION 3: *Reporting.* Every 30 days following adoption of this Resolution, the Arts and Culture Advisory Committee will reconsider the extension of the teleconferencing method of public meetings in accordance with Government Code § 54953(e)(3). Such determinations may be placed on the consent calendar.

SECTION 4: *Electronic Signatures.* This Resolution may be executed with electronic signatures in accordance with Government Code §16.5. Such electronic signatures will be treated in all respects as having the same effect as an original signature.

SECTION 5: *Recordation.* The presiding officer of the Arts and Culture Advisory Committee is authorized to sign this Resolution signifying its adoption by Arts and Culture Advisory Committee.

SECTION 6: *Effective Date.* This Resolution will become effective immediately upon adoption.

PASSED AND ADOPTED this 25th day of January, 2022.

Chair Neal Von Flue
Arts and Culture Advisory Committee

TITLE:

Resolution to Conduct Public Meetings via Teleconferencing Pursuant to Assembly Bill No. 361

RECOMMENDATION:

1. Adopt a Resolution allowing public meetings to continue to be conducted via teleconferencing pursuant to Assembly Bill No. 361

BACKGROUND:

On March 4, 2020, Governor Gavin Newsom proclaimed a State of Emergency to exist in California due to the threat of the COVID-19 pandemic. Subsequent associated gubernatorial executive orders, among other things, allowed local government bodies subject to the Ralph M. Brown Act ("Brown Act") to conduct virtual/teleconferencing meetings without needing to comply with teleconferencing requirements set forth in the Brown Act. Specifically, the executive orders suspended requirements that mandated (1) that every location from which a member of a body was participating in a meeting must have a notice of the meeting agenda physically posted at location (24 hours in advance for special meetings, and 72 hours in advance for regular meetings) and that each teleconferencing location be open for public attendance, (2) that a majority of the members of the body must be present in the jurisdiction, and (3) that members of the public must be allowed to attend meetings in person. The applicable Executive Order N-29-20 is expiring on September 30, 2021.

In order to address the expiration of the Governor's Order regarding teleconferencing, effective September 16, 2021, Assembly Bill No. 361 ("AB 361") took effect which, among other things, amends certain provisions of the Brown Act governing open meetings to allow teleconferencing, including internet-based video conferencing, in a manner similar to previously issued gubernatorial executive orders.

DISCUSSION:

During a proclaimed state of emergency, AB 361 allows a legislative body, like the Arts and Culture Advisory Committee, to continue utilizing teleconferencing to conduct public meetings in a manner like they have been conducted during the pandemic under certain circumstances, provided the legislative body makes certain findings. After an initial meeting in which certain findings are made, to continue meeting pursuant to AB 361, the legislative body must declare within 30 days that it has reconsidered the circumstances of the state of emergency and either: (1) the state of emergency continues to directly impact the ability of the members to meet safely in person; or (2) state or local officials continue to impose or recommend measures to promote social distancing. Accordingly, the Arts and Culture Advisory Committee action and the issue of teleconferencing will be revisited every 30 days.

For the reasons set forth below, staff is recommending that the Arts and Culture Advisory Committee continue to meet via teleconferencing unless the City Manager determines that a CCB can and should meet in person based upon the then applicable health and safety regulations and the relative importance of a CCB conducting an in-person meeting.

Currently, there are a myriad of state and county regulations regarding meetings conducted indoors. The County's order prohibits such unless certain restrictions are adhered to. Additionally, the City is subject to employer regulations promulgated by CalOSHA that place additional restrictions on workplace interaction.

The state and county regulations have changed numerous times during the nineteen-month period that the pandemic has existed. Meeting protocols have been changed several times during this time based upon the changing legal requirements. The Council is currently conducting a portion of its regular open session meetings in person but with numerous restrictions and limited in-person public and staff participation for purposes of complying with existing legal requirements.

While staff understands the importance of coordinating meetings to allow maximum public participation, staff believes it would be prudent in the short-term for the CCB's to continue to meet virtually. It will be a significant burden on staff and the CCB's to go through continuous changes as to how the CCB meetings will be conducted. However, there may be instances where there is a significant purpose to allow for in-person meetings if the then applicable regulations can be adhered to without significant strain on City resources. For example, there are currently several public hearings that are likely to come before the Planning Commission over the next few months that will be reviewed for potential in-person meetings based upon the above criteria. The City Manager will make decisions regarding whether a particular CCB meeting should and can be reasonably conducted in-person.

Again, the above issues will be revisited by the Council and Arts and Culture Advisory Committee every 30 days and as the various regulations/restrictions are amended or lifted, all Council and CCB meetings will be conducted in the manner they were conducted before the pandemic.

The proposed Resolution would:

- Make the requisite findings for the Arts and Culture Advisory Committee to continue using teleconferencing protocols for its public meetings, subject to certain notice, access, and participation requirements;
- Require the Arts and Culture Advisory Committee, every 30 days, to reconsider the state of emergency conditions and consider whether certain findings can be made to support continued use of teleconferencing procedures; and
- Prohibit the Arts and Culture Advisory Committee from meeting exclusively in person except as determined by the City Manager or until the Council provides further direction in the future

Approval of the proposed Resolution requires a recorded majority vote of the Arts and Culture Advisory Committee total membership.
