ADDENDUM NO. 1
to
PW 24-09: FY 24-25 CONCRETE IMPROVEMENTS PROJECT

ATTENTION BIDDERS:

The following additions, modifications, and clarifications to the specifications shall be included in, and become a part of, any contract which may be executed for the above project in the City of El Segundo:

1. **The bid due date and time is still Tuesday, July 2, at 11:00 am.**
2. Please see the attached revised Bid Schedule and Repair Locations list. **Please use the revised Bid Schedule** when preparing your company's bid proposal
3. Please see the attached supplemental pages to this addendum.

As evidence that the BIDDER has read this Addendum, the BIDDER must acknowledge same in the space provided below and **submit this Addendum with the Proposal**. Failure to provide such acknowledgement shall render the proposal as non-responsive and subject to rejection.

CITY OF EL SEGUNDO
PW 24-09: FY 24-25 CONCRETE IMPROVEMENTS PROJECT
PROJECT NO.: PW 24-09

ADDENDUM NO. 1 SUPPLEMENT

DATE: June 27, 2024

TO: All Prospective Bidders

The following clarifying information and answers to bid questions have been provided below. The information provided in this Addendum has been made available to all prospective bidders and shall be considered as incorporated into the specifications for the above-referenced project. All other portions of Contract Documents and previous Addenda not specifically mentioned in this Addendum remain in force.

A. CHANGES TO THE BID OPENING PROCEDURE:

City Hall is located at 350 Main Street, El Segundo, CA 90245. Please follow the procedure below for the Tuesday, July 2, 11:00 am bid opening:

1. Instead of the City Clerk's Office, the bid opening will be held in the foyer in front of the Council Chambers. This area is accessible through the double automatic doors on the Main Street (west) side of the City Hall Building. Having submitted their bid, bidders will wait outside the double doors in the quad until the bid opening.
2. Bidders are welcome to submit their bid by the US postal service or other carrier service. However, the bidder is responsible for verifying their bid has been received in the City Clerk's Office prior to the bid opening. Their telephone number is 310-524-2307. Bidders can also submit bids in person. Please speak with the receptionist at the City Hall East Lobby entrance if you arrive early to submit your bid.

Three different projects have bids due on July 2 at 11:00 am. Plan to arrive early enough so your bid may be received, stamped, and logged well before 11:00 am, in case there are multiple bidders doing the same thing.

3. The City Clerk's Office will open the Council Chambers lobby doors 15 minutes before the bid opening and will accept bids if time allows.
4. Bid packages will be opened in the foyer. Bid amounts will be read aloud and recorded on the log sheet and the log sheet will be signed by representatives from the City Clerk's Office and the Public Works Department. The City Clerk's Office will enter additional information on the bid log sheet as needed, after the bid opening.
5. The Public Works Department will email the fully signed and completed bid log sheet to all planholders within a few hours after the bid opening.

B. PRE-BID QUESTIONS AND ANSWERS

Question 1: What is the Engineer's estimate?

Answer: With the revisions, \$194,149.
